SECTION III. RELEASE OF FUNDS TO WORK ORDER

SECTION IV. REVISION TO WORK ORDER

SECTION V. CLAIMS - PERSONAL PROPERTY LOSS

19. DEPARTMENT OF NATURAL RESOURCES

- 1) Sam Buffa \$250.00

The claimant (04-SAB-109) requests \$250.00 reimbursement for damage to his boat after it slipped off the trailer allegedly due to the steep slope of the boat ramp. After investigation, it was determined if the boat had been latched to the trailer the incident would not have happened. The boat launch attendant does not recall an incident where a boat fell off its trailer, though he does remember a boater failed to raise their lower unit on the day in question. Also the boat launch has been checked and it is within specifications; therefore, the Department recommends denial of this claim.

- 2) Gregory Lake \$999.00

The claimant (04-SAB-174) requests \$999.00 reimbursement for damage to his vehicle from debris thrown from a lawnmower operated by a State employee. The actual cost of the damage is \$1,032.10. The claimant provided a sworn statement that he will not file a claim with his insurance carrier, so the Department recommends approval of the maximum possible amount of \$999.99.

- 3) Harold Meeuwenberg \$435.78

The claimant (04-SAB-141) requests \$435.78 reimbursement for damages caused when equipment driven by a State employee was backed into his vehicle. The claimant provided a sworn statement that he will not file a claim with his insurance carrier, so the Department recommends approval of this claim.

20. DEPARTMENT OF STATE
